Dear Sir:-

We take pleasure in sending you herewith two sets of the first twenty sheets of the Index of Topics for the forthcoming "Jewish Encyclopedia", projected by Dr. Singer, and invite your criticism of the same in your capacity as Member of the Foreign Board of Consulting Editors.

Your attention is desired particularly to the note under the title line. This states that from sheet 1 to sheet 31, the alphabetical scheme followed is not that which will be adopted finally by the Encyclopedia. It is our purpose to send you the entire index, from time to time, as it passes through the press, and we shall be glad to receive any suggestions regarding the same that you may care to make. You are invited to make such corrections, additions or emendations as you deem necessary, and these will be much appreciated here. Kindly return us one of the sets of these sheets just as soon as you have made your suggestions thereon.

If, in glancing over the index, you should be in a position to suggest any illustrations for the work, we shall be glad to avail ourselves of such information as you may offer.

Thanking you for your interest in the forthcoming work, we remain,

Yours very truly,

Frank H. Vizetelly

Secretary.
